

Student Comments

Our students are outspoken about the New Life experience. Here are a few of their statements:

"In the 20 months that I have been a student at New Life Theological Seminary, I have been challenged to go beyond the identification of the needs of this world. Through the hands-on curriculum, experienced mentors, and inspiring professors I have learned how to identify particular solutions to the needs. Many of those solutions already 'reside' in a given community and my job is to uncover and empower gifts. I will carry this academic and spiritual development with me for the rest of my life, and look forward to the accurate and integral education I have earned at New Life Theological Seminary opening doors for me in ways that will continue to advance the kingdom of God in the earth."

~ Elsie Marie Greene

"Attending New Life has opened up new understandings and offered the opportunity to experience personal and spiritual growth. New Life Theological Seminary offers a top notch education while being surrounded by strong compassionate Christian leadership." ~ Michael Andrus

"God planted my feet at New Life for a divine purpose. As a new graduate student, I'm excited to study under the direction of committed professors and to discover my ministerial calling to further God's kingdom worldwide." ~ Annya M. Lott

Introducing Vlatko Dir!

Vlatko Dir is a recent graduate of New Life Theological Seminary. He is currently working to earn his masters degree and working as a Graduate Assistant in the NLTS Biblical Languages Department.

In the spring, he will begin teaching LA130—Introduction to Biblical Languages. If you are Associate of Arts, Bachelor of Arts, or planning to pursue your Master's degree you will need to take Hebrew or Greek. The great blessing about this course is the introduction to the variety of Biblical languages used throughout the ancient world. Vlatko is from the former Yugoslavia. He moved from Canada five years ago to pursue an education in the area of Biblical Studies focusing on the Biblical Languages Hebrew, Greek and Aramaic.

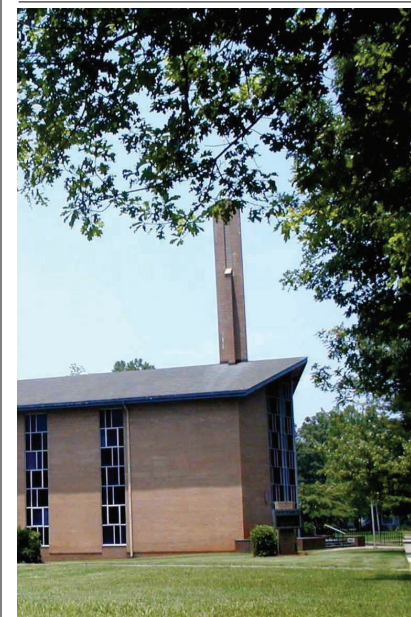

If you are like me, you "got" to have Hebrew or Greek in order to fulfill your degree requirements. Here is the person to help you fulfill your degree requirement. Along with Dr. Paulsen and Dr. Shropshire, Vlatko will help you to understand the basic principles for both Hebrew and Greek. You will develop a deep appreciation for Biblical Languages with their instruction.

WELCOME!

**President and Founder,
Dr. Eddie G. Grigg**

It is very important to us at New Life that God lead in the decision of every student to attend. If God wants you to enroll somewhere else, that is what we want, too. Your obedience to God's will is our desire. However, we hope and pray that God will lead you to attend this fine institution. We will adopt you into the New Life family to love, nurture and train you toward meeting your full potential. Then, we will work to help you find a place to serve Christ and utilize the training and education you will have received here. Once you graduate, you remain a part of the New Life family and we continue to pray for you and assist you throughout your ministerial career. There is no other seminary like New Life Theological Seminary!

As you attend this information-gathering event, feel free to ask questions. Our devoted, talented staff are eager to assist you with admissions, registration, financial aid, library services, etc as you embark on your New Life journey. God bless you!
